ALUMNI NEWSLETTER

The Cup Is In The House

The 75th edition of the CSSRA Regatta finished on a high note this past Sunday. After a 2 year hiatus as a result of the pandemic, high schools got back on the water this year and have begun to regenerate some highly competitive crews. On Saturday the Alumni Clubhouse

was treated with a rare appearance of the famous and valuable Calder Cleland Memorial Trophy. Many past oarsmen, coxswains and coaches got an up close look at the many past victories, and shared their own experiences around winning this cup.

This upcoming Sunday (June 12th) is a very special day for the Alumni. The Rowing Club will be holding their annual Boat Christening on the clubhouse front lawn. The SCRC continues to upgrade their fleet to give their crews the best equipment to train and compete in. This year an eight oared shell will honour past SCRC President and current Alumni President Don Baker. The Alumni is also thrilled to participate in sponsoring a new 4 oared shelled which will be named after Alumni Past President Wayne Dick. Both of these gentlemen have spent decades volunteering in every capacity on Henley Island and this recognition is well deserved. The Christening Ceremony will be 2:00 - 4:00 pm on Sunday with a reception to follow. Drop down to congratulate the boys and see some hi-tec racing equipment.

The Alumni is cost sharing the purchase of the 4 oared shell, to the amount of \$15000.00. THIS money is only made available by the generous support of OLG/ Delta Bingo in St. Catharines. So a tip of the hat to all the folks at Delta for the support of so many groups in our community including ours.

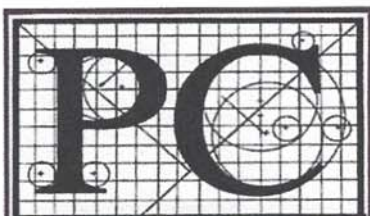

The St. Catharines rec Rowing League is gearing up for a summer of competition and revelry will return to the Alumni Clubhouse each Thursday during their rowing season.

This coming Friday June 10th, we will open the patio bar for our members to drop by and enjoy a drink and snack on the patio, we will follow up with a short informational meeting on our plans for the summer season. Bar will open at 5:30 and the meeting will commence at 7:00.
